Headquarters Operations

25X1

3. CSMB met with representatives from OIT, ISG, OC and OL/FMG regarding the floor panel security issue in the New Headquarters Building. All are in agreement that the floor panels needs to be

Headquarters Operations (continued)

25X1 secured. The debate continues as to who will make the final decision for each component involved. OL/FMG has agreed to postpone final painting and carpeting until a formal answer is received. []

25X1 4. A site selection checklist is being completed to review procedure for the selection of new Agency location sites for both domestic and overseas facilities. The objective is to gather information from a variety of sources both internal and external to the Agency for inclusion in an all encompassing final checklist. []

25X1 On 26 October, HSD personnel provided support and guidance for a short ceremony to dedicate the statue of William Donovan in the main lobby of the Original Headquarters Building. Approximately 200 persons were in attendance including the DCI, former DCI's Helms and Colby, Mrs. Sophia Casey, and members of Mr. Donovan's family. []

25X1 6. The Chief, Security Equipment Support Division/PASG, reports that Vehicle barriers at Hqs. Main Gate have been completely renovated and will be turned over to HSD when they are able to receive operational briefing.

25X1 8. A representative of ISG/Industrial Branch attended the first meeting of the STU-III Data Usage Working Group on 1 November. This working group was established to address a wide range of issues relevant to the use of the STU-III for data applications.

25X1 10. The ISG "Introduction to Computer Security Course" was run 24-27 October. In attendance were 23 Office of Security officers from Polygraph Division, TEMPEST Division, Technical Security Countermeasures Division, Information Security Group, OD&E Security Staff, and [] Security Staff. []
